* This fee schedule is based on a 4.5 hour day in a 4 week month. If a month has less than 4 weeks due to vacation days that reduce the days your child can attend, or your child stays more than 4.5 hrs in a day, or there are 5 weeks in a month, you will need to calculate your rate based on the increase or decrease of hours attended and adjust the monthly amount.

* Any income above \$6,151.00 per month will pay the regular rate of \$5.50 with no base fee. See next page for schedule.

* The 70% reduction of \$1.50 per hour plus the \$25. base fee per month is the lowest tuition rate we are accepting.
